

C.C.GOVARDHAN

GMAIL: ccgovardhan60@gmail.com

Mobile: 8309048948

LinkedIn: linkedin.com/in/govardhan427

PROFESSIONAL SUMMARY:

B.Tech CSE student with hands-on experience in full-stack web development using Python, Django Rest Framework, and React. Skilled in designing, building and deploying scalable web applications with foundational knowledge of AWS and Docker. Passionate about crafting innovative digital solutions and eager to contribute to impactful software development projects.

EDUCATION:

- **B.Tech in Computer Science and Engineering**
Hindustan Institute of Technology & Science, Chennai
Aug 2022 – May 2026 | CGPA: 8.64 / 10
- **Intermediate (XII)-State board of Andhra Pradesh**
Narayana Junior College, Kadapa
Year of Completion: June 2022 | Percentage: 75%
- **SSC (X) -State board of Andhra Pradesh**
Sri Chaitanya English Medium High School, Kadapa
Year of Completion: May 2020 | Percentage: 100%

TECHNICAL SKILLS:

- **Programming Languages:** C++(basic), Python
- **Web Technologies:** HTML, CSS, JavaScript
- **Frameworks & Libraries:** Django, React, Bootstrap, Django REST Framework
- **Databases:** MySQL
- **Cloud & DevOps:** Docker, Kubernetes, Jenkins, AWS (Foundational)
- **Operating Systems:** Linux, Windows
- **Tools & Platforms:** Git, Visual Studio Code
- **Productivity Tools:** MS Office, PowerPoint, Excel

WORK EXPERIENCE

Web Development Intern - Prodigy Infotech | Aug 2024

- Developed responsive web interfaces and integrated weather and user data APIs for real-time interactivity.
- Completed multiple project-based tasks, strengthening front-end development and problem-solving skills.
- Optimized webpage performance by refining assets, and maintaining version control with Git and GitHub.

Cyber Security Intern - SkillVertex | July 2023

- Gained hands-on experience in threat analysis, risk management, and network security principles.
- Applied vulnerability identification and assessment techniques to implement proactive security measures, aligning with industry best practices.

ACADEMIC PROJECTS:

1. E-Commerce Web Application

Technologies: Django Rest Framework, React.js.

- Developed a full-stack e-commerce platform with features like user authentication (JWT), product listings, cart, and order management.
- Designed and implemented a responsive UI with React, ensuring smooth navigation and an optimized user experience across devices.

2. Automated CI/CD Pipeline for a Django Application

Technologies: Jenkins, Docker, Git, GitHub, AWS EC2, Ubuntu.

- Built a CI/CD pipeline on an AWS EC2 server that automatically builds and deploys a Django application.
- Developed a Jenkins pipeline script to automate linting, testing, building, and deployment processes, leveraging GitHub webhooks to initiate builds upon each git push.

CERTIFICATIONS:

• Ultimate AWS Certified Cloud Practitioner – CLF-C02 | Udemy, 2025

Gained foundational knowledge of AWS services , cloud computing concepts, IAM, EC2, S3, and billing fundamentals.

• MongoDB Basics - MongoDB University

Completed a foundational course on MongoDB, covering NoSQL databases, CRUD operations, data modeling, and indexing.

ACHIEVEMENTS:

- Secured 5th position in Innathon 2025, a multi-university hackathon hosted by Hindustan Institute of Technology & Science, with participation from several engineering colleges.

STRENGTHS:

- Fast learner with the ability to quickly grasp new technologies.
- Strong problem-solving and communication skills.
- Adaptable team player with a proactive learning mindset.

LANGUAGES KNOWN:

English, Telugu, Hindi, Tamil (Basic)

EXTRACURRICULAR ACTIVITIES:

- Volunteered in organizing university events, enhancing student participation and event coordination.
- Engaged in NSS-led community service initiatives, supporting social outreach and university welfare programs.
